“ *I am the youngest Cranton next door on 14th Street. Jimmy John and I played together and I remember him very fondly. I have a photo of him taken in our backyard. He is holding "Pup Pup," a black dachshund, which he dearly loved. I think of him often. I am so very sorry for your loss.##imported-begin##Robin Cranton Buchannon##imported-end##*

“ *My family lived in the house next to the Woosters on 14th street in Chickasha. I have wonderful memories of Jimmy John and was very sad to here of his death. I still remember a photograph of Jimmy John sitting on his bicycle wearing a Batman mask and cape. I believe it was on the front page of the local paper.##imported-begin##Tracy Cranton##imported-end##*
