

John Nelson Ensey

March 27, 1949 - September 13, 2009

John Nelson Ensey of Pauls Valley, Oklahoma was born to John Cebran and Mildred Imogene (Nelson) Ensey on March 27, 1949 in Wynnewood, Oklahoma and passed from this life on September 13, 2009 in Norman, Oklahoma at the age of 60 years.

John grew up and attended school in Wynnewood, Oklahoma, graduating in 1967. He then attended East Central State College in Ada, Oklahoma and Oklahoma State University where he obtained his B. S. in Accounting in December of 1971. Due to a blind date, John began dating Lucille Little at the age of 15. Six years later they were married on August 22, 1971 in Pauls Valley and joined the family to create the LBE Ranch. After twenty years of farming, John opened his own insurance agency with Allstate in Ada. In 2002, he found a way to fulfill his desire to help others by forming Ensey Bail Bonds. Because he never got the dirt from under his fingernails, John added a third job, which was his true passion, and began farming and ranching again. In his spare time he enjoyed the lake and boating and any opportunity to spend time with his family.

Mr. Ensey is survived by:

His wife: Lucille Little Ensey of the home

2 sons: Corey Ensey and his wife Telise of Duncan, Oklahoma

Craig Ensey and his wife Crystal of Pauls Valley, Oklahoma

Mother: Mildred Ensey of Wynnewood, Oklahoma

2 sisters: Jere Hanchak and her husband John of Bradenton, Florida

Luanne Howk and her husband Andy of Norman, Oklahoma

5 grandchildren: Chase, Cade, Faith, Tag and Jack

Mr. Ensey was preceded in death by:

His father: J. C. Ensey

Funeral services for Mr. Ensey are scheduled for Thursday, September 17, 2009 at 4:30 p.m. in the Pauls Valley High School Auditorium with Rev. Tom Buzbee officiating. The family will receive friends following the service at the Bosa Center. You may send a condolence to the family at www.woosterfuneralhomes.com. In lieu of flowers, John would prefer that friends send donations to Regional Food Bank , Food 4 Kids Program/Garvin County, P. O. Box 272153, Oklahoma City, Oklahoma 73127-2153

“ We are so sad to hear bout John. We have so many good memories of your family. We had such great times at the lake, R & R Corral, our dance lessons, and many more. John was always the life of the party. We also remember that he stopped the Christmas tree from falling with one nail. He nailed it it to the floor. He was a great husband, father and friend. “ Dear Lucille and family,

We were shocked when Craig called with the news. We hadn't known John very long, less than a year, but when we met him at the farm that day, we knew right off that he was a good man. We liked him right away and felt lucky that he would be taking care of the place. We are so sad for your loss. Our thoughts and prayers are with you.

“ John and the Ensey family have made quite an impact on my life. I met John while teaching his son in kindergarten. He drove up in a white
Corvett with a white starched shirt and jeans. He and Lucille made quite the handsome couple. Our family remembers the days on the lake and PV ball games. We will also remember John rushing to help us repair things at home, sleeping in our recliner, driving like a wild man, playing football in the Ensey yard, shooting fireworks, and of course the trip to Safeway to buy Mickey and Minnie. He scrubbed dishes better than any woman, shared good books, and teased those he liked. I loved the way Lucille said "John." and the way he smiled when he showed his love in return. May he find the rest he should have taken and the job he always wanted with his heavenly father. I know John's heaven is a wonderful and busy place. Perhaps he and J.C. are playing golf.##imported-begin##june coleman##imported-end##

“ Lucille and family,
My hart goes out to you and your family in this time of sorrow. May
Our Lord Bless and keep you.
Imagine, if you can, a place where mountains meet the sky, where
fragrant flowers fill the air and winding streams flow by. Imagine, if
you can, a world where joy replaces grief, for thinking of this
wondrous place will bring your heart relief.'
Thinking of you today, and wishing you comfort and peace of mind.
John touched many lives in his short time here on earth. Too often
we undesestimate the power of a touch, a smile, a kind word, a
listening ear, an honest compliment, or the smallest act of caring, all
of which have the potential to turn a life around. People come into
our lives for a reason, a season, or a lifetime. Embrace all
equally!###imported-begin##Harold Bradley###imported-end##

My heart breaks and is so very saddened by your loss. “ Lucille, We are at a loss for words. Monte called me earlier and advised me that John had passed. I must tell you that he, on many occasions, told me that you were the love of his life, as well as yours and his Sons, Daughters-in-Law, Grandchildren, his Mother, and persons who had gotten into trouble with the law, to help them. One was me. We were the first to purchase insurance from John. He was a very loyal friend to us, was always there for us, and he had the greatest personality. He was so funny. You know that. No one can ever take away what God gave the 2 of you. You two were meant to be. He always called me on my Birthday, which is March 28th. I always called him on his Birthday, which was one day prior to mine. That was how much he cared about his friends and Customers. That was so special that he would remember that. I never forgot his. God will get you through this, and you will all be reunited one day. God has a plan and need for him. I am certain he needed him. With our deepest sympathies, Monte & Cindy Deatherage. May the grace of God get you all through this. Again, you were his everything. He loved you so very much.##imported-begin##Cynthia & Monte Deatherage##imported-end##

“ Lucille, Corey, Craig and all of John's family. My heart breaks for you at this difficult time and in some small way, I do understand the pain, loss and devastation that you all feel right now. When I told Jake about this, he said how much harder it must be for you because you had John for so much longer than he had his Dad. He said that this pain would have to be unbearable and I think he is so right. Just know that he loved you with all his heart and that will never leave you.I have often admired him and your family from afar and in passing and the caring, delight and committment always showed and I truly believe that somehow that lives on. It has been 21 years since James died, but I can tell you that he is always in my heart as John will be in yours.

It was an absolute honor to have said I knew him and to know that he will always hold a special place in my heart. “ I was your neighbor in Pauls Valley in the mid-80's, when I was married to Jeff Jarman. John was working with LBE then and I remember he always had a smile or something funny to say when I would talk with him. He was usually with John, John Jr., and Steven, and no matter what something was always needing to be fixed. “ Lucille, Craig, Cory and family,

I considered John as my brother. We always enjoyed picking at each other. John's pet peeve as you know was for the waitress to take his plate prematurely. One of my favorite stories was when I had the whole Lions Club membership alerted and paid the waitress to take his plate. He found out we had set him up and responded with his "ol gooosh". He will be missed.
