“ Nephew !!!! My family is going to miss you, you are our family. You were such a amazing person, your smile and your eagerness to help where ever it was needed. I will think of all our trips to Domonique’s football games since High School to Collage. Our trips to Texas and New Mexico. One can always depend on you. You have a kind, gentle good heart. “ It has saddened me to hear of your passing. I remember seeing you a few years ago and I stated to you that I would no longer call you John Boy, from back in the days, but I would call you Andre. I know that God has a purpose and a plan for everything that He allows to happen. I thank God that you no longer have to suffer from your illness and pain, but He has given you a healed spiritual body with a new heart. I loved you than and even know. You will be greatly missed and never forgotten. Rest well Andre (Shawn Lawson)
