She was my daughters kindergarten teacher. She was an amazing person and teacher. The quarantine cut the school year short so we never got to really say thank you for how good care she took of our little one and taught her so much. She will be missed. My prayers go out to her and her family.

“ *Dear family members and friends,*

Please know that our prayers are with you. Joni was a long time and appreciated member of Professional Oklahoma Educators.

We know that her absense will be felt far and wide and the impact of her life, especially, her thoughtful service to her young students, will not be forgotten.

“ When I was very little I went to spent the night at aunt Joni house and she loves naps. Like love them (lol). Well she made us a pallet on the floor and we would lay down. The problem was I wasn't tired like she was 😴 so I would fake sleep until she fell asleep and would roam around her house until she would wake up. Yes we have shared other unforgettable memories since then, but this has to be my favorite one.

“ I have a picture of Joni and Bonny, Andrew Johnson and Clint Bowerman. Mrs. Keller was there. Maybe 4th or 5th grade. They were in front of the laundry mat holding a banner. All so happy and having a great time.
