

Jonne Carol Dacus

March 16, 1952 - October 24, 2021

Jonne Carol Dacus was born to Vernon Cecil and Delphia Janiece (Montgomery) Dacus in Denver, Colorado on March 16, 1952 and passed away October 24, 2021 at the age of 69 years.

She spent her early childhood days in Denver before her family moved to Lindsay, OK. Jonne graduated from Moore High School. She spent her working years as an accountant in banking. The happiest years of her life were when she was married to Mike, the love of her life. The couple built a log cabin in Las Vegas, New Mexico. They were avid Harley Davidson motorcycle riders. Mike had a small repair shop where he rebuilt a couple of older motorcycles. After those years she still had such a love for riding motorcycles she always contemplated buying a motorcycle and riding again. After she retired from banking she worked for Jamie and Kristy O'Bryant at Skyline Energy Solutions.

She was an excellent seamstress, enjoyed doing hand embroidery, gardening and reading her Bible. Her Christian values were lived out and taught. She was a witness to all in word and deed. She spent much time reading her Bible.

Those who will miss her most include her sister, Barbara Anderson (Larry) and her brother Dan Vernon Dacus. She was preceded in death by parents, Vernon and Janiece Dacus and sister, Gayle Robbins. Condolences may be sent to the family at www.woosterfuneralhome.com Cremation services are with Wooster Funeral Home.

Jonne was my Maid of Honor at my wedding (2001) and played a role in my life as my step mom during my adolescent years. She married my Dad (Michael Kolb) in 1984 and spent over twenty years together. She will always hold a special place in my heart.

*My heart goes out to those who knew Jonne in recent years. We worked together in the 80's at Ma Bell. I lost contact with Jonne when she returned from Alaska. I'd love to hear stories from those who knew her. I remember her being so real . my heartfelt sorry for your loss.
