“ *I remember the 1st we went fishing and you caught your 1st bass with me. You were so proud of the fish and it was about 3 pounds and on that day you out fished me 3 bass to 1 bass. I heard you telling the story of that 3 pounder but like any good fisherman that 3 pounder got bigger and bigger every time you told someone about it and of course if I was around while you were telling the story is never say anything about how that fisher got a little bigger and at the end of you telling your story it was always mentioned that you out fished your uncle Brian who was suppose to be teaching you but I got schooled that day. I'll never forget the times that we shared the good and the bad!! I LOVE YOU WITH ALL MY HEART!!!!!! I'll miss you always RIP Jordan you tell your mom (Lisa Jackson) that I LOVE AND MISS HER give her a hug and kiss from me.*
