“ Mom Joyce always has a special place in my heart, she has taught me many things in life how to couple and budget my money, she never let a soul go hungry... she is a trooper and one of my heroes don't know what we are going to do without you, I know you are not struggling or hurting anymore and you are dancing with granny Betty in heaven.... it's not see you later it's I will see you again one day. Love you Mom Joyce..... your daughter, Miranda
