“ *Larry, Terry, Leasa, and Stephanie, as you know Judy and I go back to the First Grade. I have many memories of Judy. Some of the first was riding the school bus and going up that long steep hill. Back then the road was dirt; maybe it was graded or not. After a rain, the bus could hardly get up the hill. When Judy and Gerald got married, she and Gerald came up to the house to ask Daddy to perform the ceremony. Daddy mowed a path in the yard as the horses had not done their job of keeping the lawn down. I was one of the ushers and didn't know how to do my job. I last saw Judy and you guys when your Dad passes away. I still remember you, and hope you are doing well. Your Mother and Dad are and will be missed for many years to come. I remember your Uncle Joe.
