“ June,
I am so going to miss our phone visits. You have been such a comfort to me since I lost my Mother. I always enjoyed hearing about all the kids and grandkids. We have had a lot of good times in the past, spent many nights in that dreaded storm cellar. I am going to miss your sweet smile and just the wonderful person that you were. I love you so much.##imported-begin##Luann Ragan Elmore##imported-end##

“ Grandma you were a wonderful loving grandma. You were the best grandma I could have ever wished for. I enjoyed all the time I got to spend with you from my childhood when I used to spend the night with you and go to church on Sunday morning to my adulthood. You have taught me so many things in life. You taught me not to worry about things in life because god would help me through. I admired your great love for god. I know you are in heaven with grandpa now. I will miss you so much. I love you!###imported-begin##Janice Beasley###imported-end##
