“ My son, Trent and Kam went to high school together. They played football, basketball and ran track together. Every week during football and some days during each basketball season several of the boys came to my house before games or team dinners. Kam was always with them. They would eat, play video games, watch a movie or goof off outside. There was always lots of laughs. Trent really loved Kam. He was one of the good ones, one of the real ones, Trent said. He was always so kind and respectful. He never failed to thank me for the food. “Thank you Mrs. Stacie”. He always had the sweetest smile. Even as an adult when I would see him out and about he always had that big smile and “Hi Mrs Stacie”. He was a truly happy person that brought joy unto others. Just a really good kid. My heart aches for you all. He will be missed by so many. My sincere condolences,
