“ *Kay was a very sweet lady and a friend to me. She thought the world of her family. The last time I saw her she was not doing well. She did not talk about her pain or what she was going through, she talked to me about her concern about how you all would be when she was gone. That was Kay, always thinking about others. I am praying that you all are granted the strength that you need during this difficult time.##imported-begin##Sandy Simpson##imported-end##*

“ Wayne and family, I was so sorry to read of the passing of Kay, It was like losing one of my family members because I have been blessed to have been around her mother and father for many years with my children and their children going to school and playing sports with each other.
My sympathy, love and prayers are with you all, you will all have many happy memories to share with each other in the future. God Bless You All.
Because I care, my heartfelt thoughts go out to you today with more concern and sympathy than I could ever say. I hope the special love this brings will help to see you through, and that time will bring you brighter days, because I care for you.
Wayne too often we underestimate the power of a touch, a smile, a kind word, a listening ear, an honest compliment, or the smallest act of caring, all of which have the potential to turn a life around. People come into our lives for a reason, a season, or a lifetime. Embrace all eqyally!##imported-begin##Harold Bradley##imported-end##
