“ Kelly I have prayed and prayed but God needed a special angel when he took u away and God didn't want u to be in pain anymore. I love u! And you will be missed. I can't say enough you were a great wife, a great mother, and a great daughter to your parents. Every time I saw you you were always smiling and I'm sure u didn't feel like it. You fought that terrible cancer as long as you could.
