“ Gosh, I hate this so much. She was always such a sweet, kind soul with a welcoming smile. I really don't have the worlds to convey how sad this makes me. I know that words won't ease your pain but know that my heart shares your sorrow. Love and thoughts for your family.

“ I was so saddened to hear of Kelly's passing. I had so enjoyed reconnecting with her at The Willows this year. It started with her asking if I would like to join in on a game (or many) of BINGO and her saying the nicest things about my sister. We visited each time we crossed paths. I sure will miss her bright smile, calm voice & positive outlook. Thoughts and prayers for her family.
