“ *This is Mike, Kevins roommate wanted to know how i can get in contact with Kevins family. We had some good times at Langston!! I took him to Ft. Worth along with D he always talked about how he wanted to move down there. Plenty laughs and plenty of fun with this guy! He was a good friend that would give you the shirt off his back and stood behind what he meant. The good ones are always taken from us only for us to emulate the good that displayed during time here. Luv ya Bruh!*

“ *To Sister Tonya Wright,*

*Please know that my prayers are with you and your family. Although you are facing a time in life, which no parent prays they will face, remember the Lord is your source of strength through this difficult time. My the Lord Bless, Keep and Strengthen you in the days to come. For Greater is He that in within you, than He which is in the World.*

“ Kevin and Family, I am truly sorry for your loss. I know there are no words to help you get through this but to stand on Romans 8:28 and to put your complete trust in The Lord, He is the only person that get you through this. You are all in our prayers for I know what you are going through and if you should want to talk, just call me. Love
