“ *I am saddened today to learn of the passing of DeLayne, or as you knew him Lane. You have been blessed to have him with you as a husband, father, grandfather, brother and uncle. I knew him as a friend and classmate at Elmore City high school and visited with him at our class reunions through the years. He was very proud of his family. There is so little one can do or say to bring you consolation in the loss that's come your way; but may it help you at this time and bring some comfort, too, to know that others truly care and share your grief with you. He was a great guy! My sympathy, love and prayers are with you all, and I am assured you will all have many happy memories of him to share with each other in the future.
