“ Pawpaw,

You have meant so much to us over the years, and we love and miss you dearly. We are so grateful that we were able to spend time with you once more before your passing. (I wish Oklahoma and South Carolina were closer!) It was a true blessing that you were finally able to meet Coleman, the youngest of your 5 Great Grandchildren!

Alicia, Keith, and I were SO lucky to have you in our lives. Since Momma and Daddy's fathers passed before we were born, you were the only Grandfather we ever knew. You were truly AMAZING! You certainly left your mark on all of our lives and taught us things that we will continue to pass on to our kids.

I'll close by saying thank you for being such a wonderful Father to Momma for the past 46 years...she loves and misses you beyond belief!

We are ALL deeply saddened by your passing, but we will always carry your memory with us. We will always regret not having MORE time with you, but the memories we have will NEVER fade. WE LOVE YOU, PAWPAW!
