“ *I am saddened today to read that Larry has passed away. As the years pass we sometimes loose contact with our relatives. My Sympathy, love and Prayers are with your family. Many happy memories will remain with you for many years. God bless you all.*

*Too often we underestimate the power of a touch, a smile, a kind word, a listening ear, an honest compliment, or the smallest act of caring, all of which have the potential to turn a life around. People come into our lives for a reason, a season, or a lifetime. Embrace all equally!*

*Mr. Pat you have known me since I was 18 years of age. When I married your son I made a friend till the end. Thank you for taking time out to teach me life lessons. From working the pecan Orchards, bailing the hay fields, fixing fence, to planting a garden in the river bottom and can't leave out we peddled are watermelons on the side of the road. The nature of pulling calves, mama cows prolapsing during birth. You always make sure with the with our crazy life schedule to stay in touch. Always made sure when I was in town we would have our lunch dates and do our best to attend church. Thank you for sharing your beautiful wife Regina. I truly believe she was your soulmate She loved you to your very last breath. Make sure you give your mom and dad and Willie a big hug for me. Till I see you again spread your wings and put your hedge of protection around me and my family. I love you! Thank you for always having the bigger heart and making sure you did your best.*
