“ Larry was a long time friend of my brother Stephen Penuel. He was as much a part of our family as his own. At Steve's direction, many times, he'd be at our house before I'd go on a date & then report to Steve. 😭 he will be missed. Love & prayers for comfort for his family & friends

“ Larry was a long time friend. Had a lot of good times. I'm so sorry that he has died but I am grateful that he lived. He was a good guy. RIP Pruitt.

“ Larry Kenneth was the best roommate and friend a guy could ask for. He was my friend and neighbor since we were both 9 years old. He was my roommate twice at the University of Oklahoma, once as freshmen and again as juniors. We were friends forever and never had even the slightest argument. We were alike in many ways, very different in other ways but agreed on almost everything important. I will always miss my oldest and greatest friend.

“ Larry was my brother Joe's best friend his entire life. He and his family lived door to us on Maxwell and I remember our parents' playing cards while we chased fireflies in their backyard. I have just one photo of them together along with Steve Pannel which I treasure. Rest in Peace Larry.

“ Larry was my godfather, but he was much more than that. He was at every holiday and birthday that I had from as far back as I can remember. He was much more than a godfather more like a blood relative. He gave me gifts on my birthday until I was probably 17 or 18 years old. When he moved to Dallas we would visit him there. He lived in an apartment behind our house in Tulsa for a time. It's hard to state how much of a role he played in my early life. He was there for me when my father passed away and did so much more for me in my life. I hope he is at peace now.

I knew Larry at OSU and for quite a long time after that as well. I'm very sad to learn of his passing. We shared many fun times and he'll be missed

“*Larry was one of my best friends at OSU, and for years beyond. He was best man at my first wedding and an all-around great guy. I went to DC and Denver, and we drifted apart, but shared a lunch in PV a few years ago on my way to the Dallas-OU game, and his wry sense of humor was still on full display. He was a 'bud - a great bud - in my early years and someone who I was far, far, better for knowing. RIP my friend. John Dill*

We spent many a Saturday night in high school at Ballard's Dairy Queen and dragging main street. We had a great group.... Larry, Joe, Stephen, Bonnie, Jenny and me and at least a dozen more best friends.... Great memories!
