“ *Pete was an extraordinary lady! She was a great neighbor and friend and I will miss her. She always had a story to share with us and something pleasant to say. I admired her strength and courage even before her illness. I love the fact that her cows were her pets and she knew every one of them by name. She was exceptionally good to my son and I hope I am admired by my family as much as she admired hers.##imported-begin##Susan Reed##imported-end##*

“ From our website in Illinois:

Message of Condolence =

I am sorry to hear of the loss of your sister, Lena. Memories of her at Good Hope School will always be in my heart. Alice and Phyllis, we

sure had a lot of memories there, didn't we? Life goes so fast.

We moved to near Milwaukee, Waukesha, WI in June and the summer flew

by so fast.

Again, I send my sympathy. Will let Carol know She hasn't been well for a long time either. I think they were in the same class.

I hope this finds you two doing well and would love to hear from you.

“ Our thoughts and prayers go out to Granny Pete's family at this time of their loss. We only recently had the priviledge of knowing her through our family joining hers from the marriage of her granddaughter Alena to our son and grandson Michael and our beloved Emily. We so admired her strength and courage through this past year and through the stories we heard of her from Alena. God Bless.
