“ *Was so very sorry to hear of your loss, LeRoy will be greatly missed. LeRoy worked for years with my dad at Shebester Inc., and I remember many stories growing up and seeing him. He was always so kind and fun to be around. He was a pall bearer at dad's funeral over 25 years ago and was such great support during our loss. Thoughts and prayers to his entire family. May God comfort and give you strength in the days and weeks ahead. Love in Christ, Pam (Ivy) Branam*

I am so sorry to hear about Leroy's passing. He worked with my dad Richard Hix @ Shebester, Inc. until dad retired in 1983 after 30 years of service for Ralph Shebester. I knew Leroy and most all of the employees who worked there. We used to have great Christmas parties that Ralph put on for his people. May God comfort each of you in this time of loss.

Leroy was one of the best men I ever knew and felt a lot more like a brother than a brother-in-law. He has been a best friend to my husband for at least 65 years and to me since he married my sister in 1960. We raised our kids together and vacationed together and remained a big factor in each other's life. We loved him so much and can't imagine him being gone. So many wonderful memories of him!
