“ I can't remember which birthday for sure, maybe 15th or 16th but Ernie told me he was gonna get me a real nice bday present. Birthday came around, he gave me a very nicely wrapped, pretty hefty gift. I was pretty excited bc it was kinda heavy and wrapped nice. It was a brick from their back patio. He was so proud of himself for tricking me. I am pretty sure I still have it in storage somewhere. That's been 24-25 yrs ago. Some people just always leave a lasting impression of their humor and kindness and Ernie is one those people. He was such a sweet man.
Love you all
