“ *I love and miss you mom. I wish Lainey could know you. Could be loved by you the way only you knew how. I don't even know how many people told me, after you passed, that you were one if the only people in their lives to love them unconditionally. You made so many people feel special and wanted. Thank you for all you were and for unselfishly sharing that with us.*

“ We are sorry for your loss. My aunt and I worked with Lisa at Kmart in Springdale back in the late eighties. She always was nice to us, we both liked working with her,
