“ With tears in my eyes I say, Goodbye my old friend of 30 years. I love you, and don't even know right now how much I will miss you. You always made myself and everyone around you to feel loved and to laugh, you and Dew were always there for me at the best times in mine and my family's life and the worst. Your family for you was always the first thought, the last thought and the sweetest memories. You were always so proud of the children and those grandchildren, I am so very sad and sorry. I know there are no words for this tragedy other than to say I am thinking of you and your family and praying for your family and sending all of my love to you all.

“ My heart and prayers go out to the Family. Lisa and I just recently reconnected on facebook. We were old friends from Fox High School. By talking to her, I know her family is the most important thing to her. She talked about her 3 Children and 7 Grandbabies, on every conversation we had. God Bless you all!
