“ *Was so saddened to hear of Lois passing. She was like a mother to me growing up. The countless hours she spent taking me to and from school. Making sure I always used proper manners and being a shoulder for me to cry very often during my younger years. She was very loved by all the Click family. Jim and Maggie, whom she has no doubt reunited with in Heaven. Janet, Jill, Jimmy and Myself. She and Tommy were very much a Big Part of our lives and we cherish there love friendship and service. “ *To the family of Lois, especially Gayla-  
Just wanted to let you know how much your mom meant to me as a young girl. She was always so loving, interested in me, always had a huge smile, and wonderful hug for me. I loved her so much, and I know you will miss her greatly. My hope is in the fact that we will see her again someday.  
My thoughts and prayers are with you all.

“ We are so sorry to hear of the passing of Lois. We had only known her a short time, but in that short time she had become a very special person to us. Gary's mother, Reba Hurst is staying in Plantation also. Lois was so good to her & was always trying to get her to eat more & always kept us informed of what had been going on. She was a very special lady & we will miss her dearly.##imported-begin##Gary & Sandra Emmons##imported-end##

“ Miss Lois was roommate to Betty Smith, my Mother-in-law in Plantation Village Nursing Home in the Rehab Unit and was such a delight and such a friend to us all. We grew to love her immediately and miss her already. She sat over Betty when she was sick and ministered to our family so beautifully. We all miss her as if a member of our family is now gone on to be with the Lord. May He bless your family in these difficult days and comfort your hearts as only He can.##imported-begin##Dale&Lois Degan, Betty Smith##imported-end##

“ Dear family,  
Words cannot express how much my family came to care for and love Lois in the past two months. She was my mother's roommate at Plantation Village. We always enjoyed talking with her and giving her a hard time about what she would eat (mostly dessert!) She befriended my mom when she really needed a friend. She made sure the staff at Plantation Village also took care of my mom. This past week has not been the same without Lois there. She will be greatly rewarded in heaven for all the love and kindness she showed not only to my mom, but to all those at Plantation Village. We were blessed to call her friend. May God's grace be your sufficiency in your time of loss.  
With a very grateful heart,
