“ Linda,

*I am so sorry to hear about your mom's death, but we know she has gone home. I have not been able to go see her for quite some time as I have been pretty much physically "housebound"*

*for almost a year now due to a couple of surgeries. I plan to attend the funeral tomorrow if at all possible. My daughter has been with me for almost a month now recuperating from a double bypass, but her husband is supposed to come get her tonight.*

*Your mom was such an inspiration to me. She always had some really neat stories to tell me of her past life while she was able. I hated it when she wouldn't remember me but that was OK, she was still glad to see me.*

*She was a fantastic lady!*
