“ *Lorna was precious to me--her memory will remain so. A loving and giving person who so dedicatedly served her family members when in need.*

Lorna is not dead until the last person who knows her dies. And then it won't matter--we'll all be together again.

“ Our friend Lorna was like a Sister from another Mother. Knowing her since 7grade,it wasn't friend at first sight But after that first Fight there was no turning back. We have many great memories. Countless adventures, The Friendship between us never wavered. Throughout our lives we stayed connected 50 plus years. We talked about everything at least once or twice a month. Cryed, Laughed and always Prayed for our health, children and families. The whole SouthPark Connection community that knew Lorna was saddened to hear of her passing. There will never be another like my Dearest friend. She go above and beyond to help, listen or just speak her mind. In the nicest respectable way. I will truly miss our conversations.LornaRose rest in heaven and peace too You. Always in my Heart. DEAREST FRIEND I couldn't Travel but I, m there in SPIRIT. GOD BLESS YOUR FAMILY and All your love one s. 🙏🌹🙏💖
