“ I met Lou at Walmart in Purcell when I went to visit another Lou that worked . I worked at Walmart in Pauls Valley at the time. She always had a smile on her face. Jim and herself would come into Paul's Valley Walmart after she retired. Very nice couple. I'm glad I got to know Lou.

“ I worked with Lou at Walmart for many years! She was always a very sweet and classy lady. We became good friends and whenever we could we would have lunch in one of the downtown tea rooms in Purcell.  
I will always remember her and our times together. Even though I moved away I've never forgotten her and will miss her. God has taken you home and may he be with Jim until you are together again.

“ *Jim and Family, I am so sorry to hear of Lou's passing. I think it was 40 years ago that I came to your home, in Ada, with Bob Powers and I think Neva & Nevada Blankenship for a Super Bowl soup party. I don't think I ever enjoyed a Super Bowl party more. Lou was one of the most welcoming hostesses I have ever met. My thoughts and prayers are with you during this difficult time.*
