“ Lou was such a great cousin to me. Even though, I was much younger than her, I still remember her coming by to pick me up to go shopping at Lintz’s Department Store, getting a Black Cherry Limeade at Ballard’s, or taking me to go see Whatever Happened to Sweet Baby Jane and then calling my parents to pick me up because I was too scared.

When she was in highschool, I used to accidentally mix up the name of her boyfriends. So glad she didn’t hold a grudge since I was only 4 years old.

Fortunately, my husband worked in Norman. Sometimes I would drive down with him and meet Lou for lunch at Olive Garden and some shopping. Sometimes, we wouldn’t plan to meet, and we would still run into each other. I still smile about the time I ran into her and Aunt Lucretta. What a wonderful surprise! Love those moments❤️

She will always be on my heart ❤️

“ I am so sorry to hear of Lou’s passing. She was one of my favorite people. I always enjoyed waiting on them at Punkins and then later cleaning house for them. Praying for her sweet husband and wonderful family.

“ Tom and I are saddened to learn of Lou’s passing. When our family first became acquainted, my parents had met Lou and thought she had an adorable family. She was a wonderful daughter-in-law to Marcy & Dick Cosner. I first became acquainted with her when I began dating Tom. She helped him pick out his first Christmas gift to me, and several times the brothers and their wives double dated. Those were good times!
