“ Shawn and Scott, I have known you your whole life. I have very fond memories of your mom and your dad, David. Your parents and you spent many days at my parents house. She loved our family and we loved her. I spent many an evening with both your mom and dad in their younger years. Your mom always had a smile and a hug for me. That is what I remember the most. She was a great lady and will be missed. Our thoughts and prayers are with you during this trying time. Keep your faith in God and He shall carry you through the darkest hour to brighter days.
