“ *Jennifer and Glenna, you may not remember me but I am a former resident of Elmore City and Pauls Valley. I was so sorry to read in the paper of the passing of your dad, you have been blessed to have him with you for so long. My Sympathy, love and Prayers are with you and the rest of the family. You wil all have many happy memories to share with each other in the future. God Bless you all.*

Too often we underestimate the power of a touch, a smile, a kind word, a listening ear, an honest compliment, or the smallest act of caring, all of which have the potential to turn a life around. Your Dad was athat kind of a man. People come into our lives for a reason, a season, or a lifetime. Embrace all equally!###imported-begin###Harold Bradley###imported-end###
