“ *Malkia used to work for me at BAMC in orthopedics as the records clerk. She was pregnant at the time and was so funny and laughing. She would tease me about not coming my hair, or my corny jokes. I just found out today she had passed I was looking her up on facebook. She was such a good friend to me. We would chat afterwork about our relationships and our lives. We would goto lunch together sometimes and talk. She watched my daughter once, I truly considered her a friend. I hoped she passed quietly...I guess I just miss my friend##imported-begin##SSG jason Mielke##imported-end##*

JM

Thought about you today.still hurts my heart as I get older. I turned 50. I still see you. I lil be seeing you.

*I'll be seeing you
In all the old familiar places
That this heart of mine embraces
All day through
In that small cafe
The park across the way
The children's carousel
The chestnut trees
The wishing well
I'll be seeing you
In every lovely summer's day
In everything that's light and gay
I'll always think of you that way
I'll find you in the morning sun
And when the night is new
I'll be looking at the moon
But I'll be seeing you
I'll be seeing you
In every lovely summer's day
In everything that's light and gay
I'll always think of you that way
I'll find you in the morning sun
And when the night is new
I'll be looking at the moon
But I'll be seeing you*

“ Dear Hari and the entire Jones Family,
As I explained earlier, I am full of thoughts but lost for words. Please accept my sincerest and deepest sympathy for your lost. I only met Julia once, at the same time she met her little brother Earnest. From that one visit I can agree that she was a beautiful person inside and out. May your memories comfort you and may God bless you and comfort you and guide us in keeping Julia's legacy alive for her girls and all who met her, knew her and loved her.##imported-begin##Marie Lomax##imported-end##

“ I have not known julia for that long, but for the short time we knew each other she was a great friend. she touched many lives the short time she worked for SORC. she inspired each of us, made us laugh, and brought much fun to the workplace. julia was full of stories and and made the funniest impressions of people or events i ever heard before in my life. she was very proud of her family, especially her girls. she was very good at doing hair, and always had the best recipe for anyone who needed help in that area. julia was a great person who will greatly be missed by any individual who was granted the oppurtunity in knowing her. she was very blessed with great wisdom and the beauty she will always be known for. i have no great words to explain my feelings or any great way to express my condolences with words of comfort, but i know i speak for anyone close to julia; she will greatly be missed! my prayers are for the jones family and anyone else affected by julia. pain will grow lighter in days to come but will never be completly gone.##imported-begin##Amanda Lunn##imported-end##

“ I would like to say I am sorry for your loss. I did not know Julia for a long time but for the time that I did know her she is a very sweet person. I use to keep her baby girl at the daycare that is where I first met her. She always had a smile on her face and was very polite. I am going to miss her.###imported-begin##angela##imported-end##
