“ *She taught my daughter in sunday school and was loved by those children, also. I loved her beautiful smile and her wonderful hugs. Heaven is truly rejoicing.*

“ *I am blessed that God placed Margaret in my life. She was a dear friend who helped me grow in my walk with God. She encouraged me as I learned to become a mother. She was a loving grandmother to all my children and grandchildren sharing her faith with each of them. I will treasure all the memories we shared and find peace knowing she is with our Heavenly Father.*

“ *She was a joy to all that knew her,
I knew her from Beaty Baptist Church
She always had time to ask you how you
were doing, she was so caring.

What a wonderful sister in Christ. Her walk was a living witness to a lost world, exactly what we are called to be. I am blessed having known her.
