“ *Dolores and Glenn, I was sorry to hear of your loss, you have been blessed to have her with you for so long. My Sympathy, love and prayers are with you and your family. You will all have many happy memories to share with each other in the future. God Bless you all. Your mother and my sister, Ileana Cagle where like sisters while growing up and attending school at Elmore City. I called her last night to tell her of your loss.*

Too often we under estimate the power of a touch, a smile, a kind word, a listening ear,an honest compliment, or the smallest act of caring all of which have the potential to turn a life around. People like your mom, came into our lives for a reason, a season or a lifetime. Embrace all equally. Harold Bradley##imported-begin##Harold Bradley##imported-end##

“ My love and prayers are with all of you. Not long ago, a respectable man said something like this: It takes a mere minute to find a special person, only a short hour to appreciate them, a mere day to feel love for them, and an entire lifetime to enjoy memories of them. Margaret Ann was such person to me. You will all have many happy memories to share with each other in the future. She had such an infectious sense of humor and I loved her dearly. I am so sorry that our extended family has lost such a classy lady.
