“ *Tonight as I read from Wooster's Website I was so saddened to read of the Passing of Margie. Even though many miles has come between our families but with all the new technology it makes it easy to keep in contact with each other. Margie was the kindest woman I ever knew. My thoughts and Prayers are with the family in this time of sorrow.*

*They say it takes a minute to find a special person. An hour to appreciate them. A day to love them, but then an entire life to forget them. Do not value the things you have in your life, but value who you have in your life. God Bless and keep you in this time of grief.##imported-begin##Harold Bradley##imported-end##*
