“ *The love Mary/Mom had for you is something that can never be taken away. It was the Happiest times in her life and the love glowed when she spoke of how happy you made her. It made her like a Gitty teenager. Hold on to that and know that she is always there with you. You will always have the happiest memories of her life. We love you and will always be here for you. We are lighting a candle for you so that her light will forever shine.*
