I love you sister and will miss you dearly. The phone calls that you so faithfully started to initiate after I trained you for years; Lol. Our phones communications that were seldom completed without 100 callbacks that we had to make to finish on these "consumer cell phones". I pray you were in no pain in your last moments but was at peace and we return you back to Jesus Christ, God the Father, and the holy spirit and give thanks for the time you were allowed to touch our lives.
