“ Mary will be missed by many including myself. I loved giving her a hard time every time I seen her, she would dish it right back to me and if she was frustrated about something I always told her it was Mindy's fault and she would laugh and agree. I have known her and her family pretty much all my life and anyone that knew her will have a story or memory to share. My thoughts and prayers are with you all.

“ So sorry for your loss. Marylea was a good lady! We would always talk when she was working or just coming in to shop at Walmart. Also, when she worked at the Casino in Paoli. How she could talk (I think Mindy got it from her mom). May God grant all of you peace through this time.

“ Crillion, Cheryl and Mindy: We are so sorry to hear of Marylea's passing. She was a delightful woman. We will never forget the first meal she cooked for us. The dinner was wonderful and then she served pumpkin pie for dessert. Rick took a bite and spit it right back out in his plate! We were all taken aback for a second and then she laughed and told us the pie had just come out of the oven. So many precious memories but the pie story was the best! You will all be in our prayers during this time. The Shreve Family

“ I always loved getting to see Marylea when we went to visit Grandma Pickel or Aunt Margarete. I would often see her on the school bus if we went to Grandma Pickel's after school, and it always made me smile. I can remember thinking, “She's so smart!” More recently, I was working on genealogy and reached out for someone to get me a tombstone picture. She was quick to volunteer, and quick to fulfill my request. She was so thoughtful. My heartfelt sympathies are with her husband, children and grandchildren, bothers and sisters, and all the rest of her family and friends. She was dearly loved and I hope now that she rests well. I will miss her.
