

## Melinda Kay Jones

July 29, 1957 - January 6, 2023

Melinda Kay Jones of Lindsay, OK, went to be with her Lord and Savior on January 6, 2023. Melinda was born to L.B. and Ina Hoyle on July 29, 1957, in Chickasha, OK. She grew up and attended school in Bradley, OK, and Lindsay, OK. She graduated from Lindsay High School in 1975, and she attended college at East Central University in Ada, OK, for a period of time before marrying Ronald Dewayne Jones of Lindsay, OK, on October 16, 1979. Melinda, also affectionately known as Nana, loved her children and grandchildren fiercely. She enjoyed spending time with them and supporting them in all of their activities and endeavors. Melinda loved to shop, especially for her grandchildren. Every small town boutique owner around knew her and loved her dearly. Melinda also enjoyed reading, music of all genres, gardening, cooking, and traveling. She was a huge animal lover, and she was thoroughly enjoying her newfound life on the “farm.” She and Ron had recently purchased a new RV and were looking forward to traveling more after spending time building their dream home and raising cattle. Melinda also loved her community and supported any and every organization that she could. She was a current member of the Lindsay Education Foundation, and she was a former member of Beta Sigma Phi sorority and the Progressive Study Club. She was also an excellent bookkeeper and served in that capacity as a secretary for J & J Spooling (Ron’s business), State Farm Insurance (her father’s business), and Harrison Gypsum over the course of many years. Finally, Melinda was a wonderful caretaker and a friend to all.

She enjoyed spending time with friends from all seasons of life, and she always found ways to make them feel special.

Melinda is survived by and will be lovingly remembered by her husband, Ron Jones, of Lindsay, OK, and their two children: Brooke Inman and husband, John, of Lindsay, OK, and Brock Jones and wife, Michelle, of Oklahoma City, OK. She is also survived by her sister, Melissa Wells, of Lexington, OK, her father-in-law, Gene Jones, and wife, Kay, of Lindsay, OK, one brother-in-law, Joe Jones, and wife, Doli, of Edmond, OK, and one sister-in-law, Terresa Jones, of Lindsay, OK. Melinda will also be remembered by her three grandchildren: Tessa and Marlee Inman of Lindsay, OK, and Von Jones of Oklahoma City, OK. In addition, she is survived by many nieces, nephews, aunts, uncles, and cousins whom she adored.

Melinda was preceded in death by her parents, L.B. and Ina Hoyle, and her mother-in-law, Jearldean Jones.

In lieu of flowers, memorial donations may be made to the Lindsay Education Foundation.

“ I Glen Pontious, of Oklahoma city.  
She hired me to clean her windows for many years, help put a roof  
over my head.  
Put many plates of food on my table  
Most the time she was out on Errands as I clean, but she had great  
taste in music and she's pretty funny,...  
I miss her before, now always thought I'd see again.  
God Bless, Mrs. Jones.  
God be with You, Mr Jones. And family.

“ I'm just learning of Melinda. My thoughts and  
prayers to Ron and family! She left this earth  
too soon but we have to know God had a plan  
for this beautiful angel. Just know in your heart  
Melinda was beautiful inside and out. She had  
a little bong soul and heart!

“Hearing about Melinda’s leaving us so soon is such a shock to me. Having been a Lindsayite her whole life, I know she has a long list of close friends that feel the same way. Melinda was fun- who could forget that belly laugh that was part of Melinda? She smiled, and she smiled often. She laughed, and she laughed often. She loved, and her love is still felt, even in death itself. To the family, please know we, her old friends, feel for you. We can only imagine how you must feel. I hope and pray that something we do or say on her behalf will help soften the blow, if only but a little. The author of “90 Minutes in Heaven” (Don Piper) spoke of his experience when he briefly left this earth, only to be welcomed into heaven by his family and friends. I trust she experienced the same thing last Friday. We can only imagine what that must have been like when LB and Ina were there to meet her. To our finite minds, we must all think that her departure was way too soon. But God had a plan. He had a vacancy and wanted her there to fill it. We must honor his plan. Thanks Melinda for your friendship- your loyalty- your caring- your love- your laughter. You will never be forgotten 🙏 Glen Fox (aka foxy)

“ Melinda and I prepared an ice chest full of peanut butter and syrup sandwiches to feed the high school baseball team after their game at Purcell. Coach Ruble was so irritated over the team's performance that he would not allow the team to eat the sandwiches as he rushed our players to the bus for their ride back to Lindsay. As we stand there guarding an ice chest full of sandwiches, wondering what we were going to do, out walks the Purcell team. We promptly asked them if they would like some sandwiches. Needless to say there wasn't one left in the chest when we left the baseball facility.

“ *Helping Melinda ‘size fit’ the kids playing for Ron, over by the storage units, between the vehicles. No one gave it a second thought about the little boys trying on baseball pants in broad daylight with us two moms, just so we would have the right size pants for each player. We laughed about this years later realizing we’d probably both been arrested for contributing to ‘indecent exposure’ charges back in the day!*
