“ *Merline was a very good friend of mine. One always remembers their first date and Merline was my first date back in 1961. I didn't know she was sick or I would have visited her. She will always have a special place in my heart. Rest in Peace my dear friend.*

“ *Merline has been a dear friend for many, many years. I know what a devoted and loving Mom she was and I had the privilege of witnessing her and Sam together many times...you could feel the love between them. I am so very sorry that she has died but also very grateful that she lived. The entire family is in my thoughts and prayers.*
