“ I have never met Michael.

To all that read this, use the passing as an inspiration not so much as a loss of life itself, maybe it's not as bad as it looks.

" That's the way I will look at it for now on thanks to Mike".

Jennifer has talked about him all the time since we have been together. And everytime she did a smile came to her face showing me he was a big part her life even though they were so far apart.

His not giving up on life and taking it as it comes from strength and will power and a love of life no matter what.

*God bless you Mike my love will be with you forever. Thankyou
We all will see you again##imported-begin##Dallas

“ Mike was our inspiration for life. I could not have asked for a better big brother. Despite his difficulties and roadblocks in life he lived it to the fullest. He always put others first and brought joy to so many. We will miss him greatly but his memory will live forever.##imported-begin##Joni Jette##imported-end##
