“ *Henry, I was saddened to hear of your mother passing, You have been blessed to have her with you for so long. My sympathy, love and prayers are with you all, you will all have many happy memories to share with each other in the future. God bless you all.*

Too often we underestimate the power of a touch, a smile, a kind word, a listening ear, an honest compliment, or the smallest act of caring, all of which have the potential to turn a life around. People come into our lives for a reason, a season, or a lifetime. Embrace all equally!

There is so little one can do, so little one can say to bring you consolation in the loss that's come your way, but may it help you at this time and bring some comfort, too, to know that others truly care and share your grief with you.

“ *I recall Mildred visiting when we were at "Uncle" John A. and "Aunt" Poochie's. She was always a lot of fun to be around as a kid. I know you will miss her. With sincere condolences,*

“ Henry, Lenore, Allison, Meredith, sincerest sympathy to you all for your loss. Mildred was always sweet to me and I enjoyed her company, usually celebrating birthdays and holidays. She had a way of making you feel welcome and I will always remember her with fondness in my heart. She could not have had better care then you all gave her and I really believe she appreciated you all more than you may know. God Bless Mildred and the loved ones she is leaving behind. All my love, Janet
