“ *Bobby, Teri & Aaron,
You are in our thoughts and prayers daily. Our precious Molli is now in the glorious presence of Jesus. One of our favorite verses is Psalm 30:5 "Weeping may endure for a night, but joy comes in the morning". Our prayer for you is that your "morning" will come soon. May God bless you and your family for your sacrifice. We love you. Darrell, Dayna, Kasey, and Keely.##imported-begin##Darrell, Dayna, Kasey & Keely Chapman##imported-end##*

“ Bobby, Teri and Aaron. . . .

Molli was an 'Angel' on earth and now she is an 'Angel' in heaven. I can just see her now sitting around the throne with all the kids wanting to sit by Molli. She just has a way about her that makes you love her and want to be near her. I know your lives will never be the same again, but Molli would want you to go on and touch someone elses life like you touched hers. Molli touched a lot of hearts in such a short time, and serving Jesus was important to her and she would want that to stay important to us all as well. We all need to be a little more like Molli and try to make a difference in this world. Molli - you will be missed by everyone who was fortunate enough to know you. . . See you in heaven 'Molli Girl':)

We Love You,

“ Bobby, Teri, & Aaron,

Words just can't say what we feel in our hearts, but we want you to know how much we loved your precious Molli. You guys are so special and are in our thoughts and prayers every day. It seems so small to say this, but time really is a great healer, and our time here on earth is but a twinkling of an eye...so we'll see our little girls very soon...what a great reunion that will be! We're here for you all any time, day or night, so please don't forget that. We love you, D & N###imported-begin##Darrell & Nancy Haley###imported-end##

“ Your family is such a wonderful part of our lives. I thank God that he brought us together as friends. You have been a blessing to us. I am so sorry for your loss. Molli brought such joy to everyone she met. Krissy says she's a butterfly in the video. And she was just that to our lives. She fluttered in and left such beauty in her path. A beautiful memory she has given us all.###imported-begin###Tony and Sheila Woodell###imported-end##

“ Bobby, Teri and Arron, My heart breaks for you all. The empty place left by Molli's passing must be unbearable at times. But, you know, God has her is the place she loves the best. She's taking care of the children of Heaven. They need her strong, tender touch. She is so blessed, and one day we'll see her quite smile again. I love you all very much and you are in my every prayer. Much Love,

“ Dear Bobby, Teri & Aaron, Trey and I were deeply saddened by the tragic loss of your daughter, Molli, and our hearts go out to Aaron and hope he recovers soon from the pain and suffering he has endured. Just wanted to share a poem with you that helped me through the death of William, in hopes it will help you all too.

*"You cannot say, you must not say,
That she is dead, she is just away!
With a cheery smile and a wave of the hand,
She has wandered into an unknown land.
And left us dreaming how very fair,
It needs must be, since she lingers there.
So think of her faring on as dear,
In the love of There and the love of Here.
Think of her still as the same, and say,
She's not dead, she is just away."*

“ Bobby, Terri and Aaron,

Kelly, the kids and I am always thinking of you guys and our prayers will continue to be with you. God always has a plan and although it's sometimes hard to understand what it is, we know through our faith that there's one for Mollie, too. We grieve now, but God will see us through and help replace the sorrow with all the wonderful memories of her time on his earth with us. Her life was special because he allowed her to be in ours and if for no other reason, that as good as plan as we may need. Please know we're always here for you and our hearts and hugs are never in short supply. Respectfull--Bubba Monroe###imported-begin##Bubba Monroe###imported-end##

“ My heart breaks for your lose. I did not know Molli but when I heard of her passing my prayers went out to your family. Their is no greater loss in life than to lose a child. We can not lean on our own understanding but lean on God for him to give us the strength and peace that only he can give. You must be so proud to know she is a christian and was Baptist by her father . How special that is. God has given you all those precious memories and she is in Jesus's arms know. How wonderful to know that this is not the end and you will be with her again one day. This will be a difficult time for you as parents and for your precious son. I pray for you as parents and for you son. I had a sister pass away when I was nineteen and I want your son to know that I am sending a special prayer right know for him. I pray God wraps his arms around you all and carries you through this difficult time.##imported-begin##Sharon##imported-end##
