“ So sorry to hear of Mrs. Endler's passing. She was always kind when I would see her at a ballgames and at Walmart. Enjoyed our conversations sitting on the bench in front of the pharmacy. May God grant the family peace through this time.

“ *There are no words to ever say just how truly special and blessed I was to have known Mona. She was always a bright and happy spot in anyone's life. She picked a spot in my heart for sure. When I was gone for two years her and Ron were continually on my mind. I had the opportunity to spend one Sunday with her and Ron just a few weeks ago for a college course. I am so blessed to have gotten to spend some of her final time here among us reinforcing what I already knew. She was an exceptional and very much loved. My prayers thoughts and love go to Ron and their family.*
