“ Terry, Sage, Tee and Cree I am so sorry for your loss, I'm so sorry that I didn't keep contact and didn't even realize that her cancer was back. The last time I saw her was the day after Justin Was killed, and she was more worried about me and said she was feeling better. I wish I had been there for her and you and the end. I have so many great memories of our youth and I know how much she loved you all. May god give you strenght to have ot go on without her. “ Terry, Sage, Te & Cree: I am so glad I got to a part of Monna Ellen's life in the end. I have alot of awesome memories of her and how much fun we had years ago. She always treated my like a little sister. She talked of her love for you guys and the change you had made in her life. Heaven rejoices for the addition of Monna. I just know she's at the track right now getting the horses ready to run. She may be gone from site, but lives on in all of us. Monna's first request from me last time I saw her was PRAY! I did then and continue to pray from you guys always. All my love Kathy###imported-begin##Kathy Ray###imported-end##
