“ *Nelda was one of the kindest & most focused individuals a person could meet. You could always count on her sense of humor & big heart. I'll miss Nelda's laugh and quick wit over a cup of coffee. On a professional level, just like on a personal level, Nelda had unmatched work ethic & always could be counted on in any situation. I'm blessed to have many good memories of Nelda. Condolences to all the family, especially Scott, and all of you are in our prayers.*

Sincerely,
