“ *My condolence to Mike, Darrin, and their families. Nolen and Fern were very special people and I have always had fond memories of both. You will always have your memories and may they help you through the bad days to come, of which I know there will be many. Nolen was always telling stories about you boys when you were small, and he would laugh so hard sometimes, that tears would roll down his cheeks. He loved both you boys so much. It has been years since I had seen him, but I have never forgotten him or Fern. God Bless*

“ *My Condolence to the grand children of Nolen Cunnius. Your grand father, like me grew up in and around Elmore City and I am saddened tonight of his passing.*

There is a saying that goes like this...They say it takes a minute to find a special person. An hour to appreciate them. A day to love them, but then an entire life to forget them. Nolen was such a person.

Do not value the things you have in your life, but value who you have in your life.

Love lives on forever in each memory and thought of those who've shared our lives and all the happiness they've brought. Love lives on forever -- it will never fade away -- for, in our hearts, our loved ones are with us every day.

May the love of friends and family give you comfort in this difficult time.
