“ *I am heart broken to learn of sweet Noma's passing. She was a dear friend to me When we were neighbors we shared flowers for each others yards and visited much. she would see me out working in my yard and she would come over bringing me a cold soda and some of her homemade coolies and say, " Ok, you've worked long enough. Sit down and take a break and cool off." She always watched after me. She and Burnie both did. She was such a sweet, lovable, caring lady and will be greatly missed by all that knew her. I loved her dearly. My thoughts and prayers are with each of the family members.*

“ *Miss Noma was one of the sweetest women I have ever known. I loved seeing her at church, she was always in her spot and always smiling and hugging everyone. She was just a very special woman. Much sympathy to her entire family. Cindy Tadlock*

“ *To Noma's Family:*

I want to express my sympathy to all of you in your loss. I knew them when I was still in school and when the boys were young. I knew all of the Cunniss Family and was in class with Lena Beatrice. I also knew many of the Drennan Family. In later years, I would see her when we came to the Saturday visitations or the alumni banquet. Always looked forward to seeing her.

She will truly be missed.

My thoughts and prayers are with all of the family.

Too often we underestimate the power of a touch, a smile, a kind word, a listening ear, an honest compliment, or the smallest act of caring, all of which have the potential to turn a life around. Noma was that lady. People come into our lives for a reason, a season, or a lifetime. Embrace all equally!
