“ *Gary and Brenda--Maybe this is not the time to say I am sorry that your mother has passed away. Many years has gone by since we went to school together and you may not know this but we are distant relatives. My heart goes out to you and your family in Sympathy and Friendship. When someone loses a loved one who has meant so much for so many years, it's hard to know how to begin expressing words of sympathy and comfort...And I want you to know that I care much more than I could ever find words to tell you. I can only say that because you're so important to me, your sorrow touches me deeply...##imported-begin##Harold Bradley##imported-end##*
