“ *Nova and I were such good friends when David and Dena were babies and then when Carl Don and Lorri were babies. We had so much fun together, she was a beautiful person both inside and out. She made the best homemade lasagna. If I had known the details earlier I would have been there, would love to hug Carl Don and Rowena and her girls. Nova was so attached to those three Stone kids. Love you all.. Kay Lynn Gibson Alexander*

“ *Mrs. Hurley was my favorite teacher. I learned so much from her. I always felt like she believed in me. One of my favorite memories was going to see Reba McEntire for the first time with her and Mrs. Bural. I will never forget that! Prayers for her family! She was such a neat lady! Erin chapman*
