Oliver Owen-Dewayne Johnson

Oliver was born on July 23, 2020 in Norman, Oklahoma to Macie BreAnn and Tyler Dewayne Johnson. He was perfect with lots of hair and bright blue eyes. Oliver was welcomed home by his very excited big sister, Josie who lovingly referred to him as “my baby brudder.” He had his daddy’s smile, mommy’s eyes, and every single bit of his big sister’s heart. We lost him on September 18, 2020.

Oliver loved his mommy’s voice, watching his daddy do anything, and his little feet would move so fast matching Josie’s excitement in everything. He adored pee-a-boo, his t.v. watching, pillow from gramps, and snuggles from everyone. Oliver loved bath time - he lit up the room with his smile, but curled his toes if they were touched. He loved his bottle and snatching hair. His dislikes were few but included taking his bottle away to burp him, wet bottoms, and Josie meltdowns (if she was upset, that was good enough, so was he.)

Oliver will be deeply and desperately missed by his entire family and especially by Ty and Macie (mommy and daddy) as well as his big sister Josie Grace-Marie of the home.
